Backup and Restore Programs

Choose a directory where you wish to create the backup files.

Backup destination

5 c:\program files (x86)\steam\Backups

Backup and Restore Programs

Select the programs you wish to include in this backup. Only programs which are fully downloaded and up-to-date are available to be backed up.

- F.E.A.R. 2: Project Origin
- Batman: Arkham Asylum GOTY Edition
- Axis Game Factory

Delete Application Files?

This will delete all Axis Game Factory application content from this computer.

The screenshot shows the Steam interface with a context menu open over a game page. The menu items are: View News, View Community Hub, View Forum, View Community Guides, Recommend to Friends..., Remove from Favorites, Set Category..., Create Desktop Shortcut, Backup App Files..., Delete Local Content..., and Properties. The 'Properties' option is highlighted with a red box and a yellow circle containing the number 2. To the right, the 'Local Files' dialog box is open, showing disk usage (741 MB on drive C) and several options: BROWSE LOCAL FILES..., BACKUP APPLICATION FILES..., DELETE LOCAL APPLICATION CONTENT..., and VERIFY INTEGRITY OF APPLICATION CACHE... The 'DELETE LOCAL APPLICATION CONTENT...' option is highlighted with a red box and a yellow circle containing the number 8. A yellow line connects the 'Properties' menu item to the 'DELETE LOCAL APPLICATION CONTENT...' option. Other yellow circles with numbers 3, 4, and 8 are also present, indicating other steps in the process.

This is the 'Backup and Restore Programs' dialog box, step 5. It prompts the user to 'Choose a directory where you wish to create the backup files.' The 'Backup destination' field contains 'c:\program files (x86)\steam\Backups' and is highlighted with a red box and a yellow circle containing the number 5. A 'BROWSE...' button is located below the field. At the bottom, there are buttons for '< BACK', 'NEXT >', and 'CANCEL'. A yellow circle containing the number 6 is positioned over the 'NEXT >' button. A yellow line connects the 'NEXT >' button to the 'DELETE LOCAL APPLICATION CONTENT...' option in the previous screenshot.

This is the 'Backup and Restore Programs' dialog box, step 7. It prompts the user to 'Select the programs you wish to include in this backup.' The 'Axis Game Factory' checkbox is checked and highlighted with a red box and a yellow circle containing the number 7. At the bottom, there are buttons for '< BACK', 'NEXT >', and 'CANCEL'. A yellow line connects the 'NEXT >' button to the 'DELETE APPLICATION FILES?' dialog box in the next screenshot.

This is the 'Delete Application Files?' dialog box, step 9. It contains the text: 'This will delete all Axis Game Factory application content from this computer. The application will remain in your Software Library, but to play it in the future you'll have to first re-download its content.' At the bottom, there are 'DELETE' and 'CANCEL' buttons. The 'DELETE' button is highlighted with a red box and a yellow circle containing the number 9. A yellow line connects the 'DELETE' button to the 'DELETE LOCAL APPLICATION CONTENT...' option in the first screenshot.
